

February 2008

Wel daar is dit nou, die nuwe jaar is voluit aan die gang. Al die nuwe skoolskoene het al 'n dowwe punt of twee en die helfte van die kersgeskenke is al stukkend gespeel.

The first run of the year were at Brakkeduine and was a huge success. Thank you to every one who made it a great outing. The A.G.M. went without any hick-up. Congratulations to Gys who were appointed as driver trainer and Ingrid as social co-ordinator.

Die info vir die volgende paar uitstappies sal op die web-tuiste wees en ons eerste "social" vir die jaar is die gholp dag op 1 Maart. U word almal hartlik uitgenooi om betrokke te raak, dit was 'n fees laasjaar.

I had the privilege to accompany the run co-ordinators on a recent recce and had the most amazing time. We did a 1000km round trip over three day's and it made me realize again how we tend to take things for granted. Without letting out too much I can say that we saw some spectacular places which I'm sure will form part of future runs.

En, o ja, moenie met plakkies in die bos rondloop as daar skerpioene is nie, hulle maak jou seer.

Kontak my gerus met voorstelle en maak seker julle plekke is bespreek by al die aksies wat beplan word.

Help ons om 2008 'n groot jaar te maak
