

Chairman's Report

November 2007

Dit is al weer daardie tyd van die jaar wat almal met verwondering vra: "maar waar is die jaar dan heen?" Daar was baie lekkerkry, swaarkry, vreugde en hartseer gewees die jaar, maar moenie dink dit is verby nie. Heelwat lekker dinge word nog beplan vir 2007. Die wat weet sal seker maak hulle mis nie Vleikloof se manne-run van 16 tot 18 November nie. Ons Kers – run en jaar-eind funksie by Kudukhaya op 1 en 2 Desember beloof ook om hope pret te wees.

As far as next year is concerned, the dates for most of the runs will be set out soon. Hopefully this will help us all to plan our year ahead and ensure that more members attend club functions.

The past week-end's jamboree and raffle draw saw a couple of new faces attending, and we all enjoyed the outing. Thanks to all involved with organizing and sponsoring this event.

Due to the positive response from members, sponsors and all involved it was decided to host the Oosterland run for both boys and girls on an annual basis. A huge thank you goes out to every person that supported this cause. To experience the appreciation these kids showed for something we easily take for granted was something special.

Dit is moeilik om nie iemand uit te sonder nie, en ek hoop nie ek het iemand uitgelaat nie, maar ek sluit 'n lys in van persone en instansies wat betrokke was met die goeie saak. Baie dankie aan elkeen van julle wat 'n verskil gemaak het in 'n kinder hart.

We received a whole lot of thank you letters and notes from the girl's who attended this run. We will be awarding prizes to the winning letters and will publish some of them as well.

Cheers
